

BPS Door Range

Security fittings/Security joinery

Our wide range of BPS doors allows you to control pedestrian traffic to and from sensitive areas in both directions.

The CR3/CR4 secure, burglar-proof door unit secures access to sensitive areas.

Burglar-proof

Bulletproof

Made in France

BPS-MT CR4 EI60 door	Steel	90mm	1V Internal/External	Motorised			-	
BPS-MT+ CR4 door	Steel	70mm	1V Internal/External	Motorised			-	

4 possible lock models:

Informative note

- To optimise the uniformity of resistance in the area where the equipment is to be installed, ensure that the materials into which it will be integrated have mechanical strength and/or bullet resistance and/or fire resistance at least equivalent to the materials used in the security equipment.
- It is important to ensure that the equipment can be easily removed for future maintenance.

Work to be carried out by the customer

- Installation of equipment
- ...

Avertissements

Document non contractuel.
