

VMO COUNTER

Security fittings/Security furniture

MOBILE BLACKOUT SHUTTER

You ensure the safety of staff during document or financial exchanges.

The counter with a movable privacy screen (VMO) is designed to provide a level of security between a public area and a work area.

The counter, which is normally open, closes almost instantly when activated by the operator.

Applications: Banking and commercial spaces, stations, police stations, government offices, currency exchange offices, hospitals, etc.

Burglar-proof

Bulletproof

Made in France
